Subject: HB 30 and HB 108

Dear State Administration Committee members,

I am writing to urge you to vote in favor of HB30 and HB108, concerning voter registration and voter identification respectively.

I have been a volunteer election worker in Montana for several years and have seen first hand the administrative chaos of late registration and witnessed attempted voter fraud on election day through lack of identification requirements.

Organized efforts to take advantage of the present inadequate administrative rules are open and blatant. Passage of HB30 and HB108 would assist in restoring integrity and dignity to election day in Montana.

P.S. I also request that Chairman Pat Ingraham, apprise each of the seven Democratic members of the committee of my request.

Respectfully,

Dorwin Schreuder
